INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Esperanza United Saint Paul, Minnesota

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of Esperanza United (a nonprofit organization), which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Esperanza United, as of June 30, 2024 and 2023, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Esperanza United and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Esperanza United's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of Esperanza United's internal control. Accordingly, no such
 opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Esperanza United's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Information

Management is responsible for the other information in Esperanza United's annual report. The other information comprises financial information, a letter from the CEO, and a description of program accomplishments for the year but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon. In connection with our audits of the financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statements, or the other information otherwise appears to be materially misstated.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and is also not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 24, 2025 on our consideration of Esperanza United's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Esperanza United's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Esperanza United's internal control over financial reporting and compliance.

1. ORGANIZATION

Esperanza United (the Organization) mobilizes Latinas and Latin@ communities to end gender-based violence (GBV). The Organization was founded in 1982 when a small group of Latina activists created an emergency shelter to provide culturally responsive services for Latinas who were experiencing domestic violence and has worked since then to support Latin@ men, women, and children in living healthy, violence-free lives. The Organization is now the largest and most recognized Latina GBV organization in the country. Esperanza United serves approximately 13,000 individuals, families, and organizations across the country, half of them in the Twin Cities and surrounding areas.

Family advocacy - Family advocacy offers direct support for Latin@s and their families who are experiencing GBV in the Twin Cities metro areas. The Organization provides a variety of options to best meet our families' needs including: El Refugio (emergency shelter), a bi-lingual crisis line, transitional housing support, mobile advocacy (our Latina family advocates meet survivors wherever they feel safe, to help them create safety plans, navigate legal systems, and accompany them to school, court, or medical appointments), and help with referrals to other resources. During this last year, the Organization's crisis line received over 700 calls that related to DV, family advocates worked with over 267 adult participants and their children through community advocacy and transitional housing services, and El Refugio provided safe housing to 88 residents including 42 head of households.

Prevention and Social Change (PSC) - Our PSC team focuses on developing the leadership and community capacity of Latin@s to end GBV. Over the last year, 800 Latin@ youth and adults built new peer relationships, gained confidence in their roles as community leaders, and took action to promote healthy relationships through participation in our PSC programming. Our Amig@s initiative trains and supports 200-220 Latin@ youth and young adults each year to help shift beliefs and behaviors within their own social networks. Amig@s develop and lead community action projects that reach thousands of community members throughout the Twin Cities area. The work of the Youth Amig@s culminates each year in a day-long conference that they organize to raise awareness of Teen Dating Violence.

Training and Technical Assistance (TTA) - The Organization's training and technical assistance department provides education, consultation and strategic support to multi-disciplinary professionals and organizations across the country. Our leadership in the field has been recognized by the U.S. Department of Health and Human Services (HHS), which designated our organization as the Culturally Specific Issue Resource Center on Domestic Violence and Latin@ Communities. The Organization has received funding from the U.S. Department of Justice, Office on Violence Against Women (OVW) to be the technical assistance provider for organizations receiving OVW grant funding who serve Latin@s. The Organization also received American Rescue Plan funding from HHS to administer a capacity building grant program for 28

1. **ORGANIZATION (Continued)**

Latin@ culturally specific domestic violence and sexual assault organizations. In FY2024, the organization provided 473 units of TA and 52 Trainings reaching 1,061 people.

Research and evaluation – Through a partnership with the University of New Haven, the Organization conducts community-based participatory research on the intersections of domestic violence and Latin@ identity. The research and evaluation team conducts literature reviews to support the training and technical assistance department with the provision of evidence-based best practices assistance to organizations nationwide. During the last year members of the department published one peer-reviewed journal article, published one abstract in a peer-reviewed journal, submitted or revised three additional articles for peer-reviewed journals, received IRB approval for a new study, and made nine presentations at national scholarly conferences.

Public Policy – The Public Policy team works to ensure that policies nationwide are responsive to the needs and realities of Latin@ communities, advocating for enhanced rights and protections for survivors, immigrants, and Latin@s. Over this last year the public policy team participated on advisory councils, submitted testimony to government bodies, and published nine policy briefing documents.

The Organization is supported primarily through government grants and contracts, and contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates - The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Financial Statement Presentation - Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

• Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

NOTES TO FINANCIAL STATEMENTS

For the Years Ended June 30, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

• Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Investments - Investments in publicly traded mutual funds, debt and other securities are reported at fair value in the statements of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying statements of activities.

Fair Value Measurements - The Organization determines fair value, when necessary, based on the assumptions that market participants would use when pricing the asset or liability. Valuation techniques require using inputs representing the assumptions that would be made by market participants in pricing the asset or liability. Valuation inputs are categorized using the following fair value hierarchy:

- Level 1 quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2 inputs that are observable, directly or indirectly, other than the quoted prices included in Level 1; and
- Level 3 unobservable inputs.

Property and Equipment - Property and equipment with a value of at least \$5,000 and a useful life greater than one year are carried at cost, with the exception of donated equipment, which is recorded at its fair market value at date of gift. Property and equipment are depreciated using the straight-line method over their estimated useful lives. Maintenance and repairs are expensed as incurred. Major renewals or betterments that extend the lives of property and equipment are capitalized. Management evaluates these assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable.

Fiscal Agency Payable - The Organization periodically acts as an agent for donors and grantors. It accepts assets from donors and agrees to use those amounts to benefit a specified beneficiary. These transactions are not included in the statements of activities since the Organization has no discretion in determining how the funds are used. Such agency amounts are recorded as liabilities until released to the beneficiary.

NOTES TO FINANCIAL STATEMENTS

For the Years Ended June 30, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Grants, Contracts, and Contributions - The Organization recognizes contributions when cash, securities or other assets or an unconditional promise to give are received. Conditional promises to give - that is, those with a measurable performance or other barrier and a right of return - are not recognized until the conditions on which they depend have been met. Contributions are recorded when received as net assets without donor restrictions or net assets with donor restrictions depending on the existence and/or nature of any donor restrictions. Upon expiration of the time restriction or when purpose restrictions have been met, they are reclassified to net assets without donor restrictions. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized.

A portion of the Organization's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions.

Revenues under government grants and contracts are subject to review by the granting authority. If, as a result of such a review, expenditures are determined to be unallowable, or services performed not in compliance, the disallowance will be recorded at the time the assessment for refund is made.

Contributions and grants receivable are stated at the amount management expects to collect from outstanding balances. Grants receivable represent expenditures made in accordance with the terms of the awards not yet reimbursed in cash or services performed but not paid. Funding received in advance of the incurrence of project expenditures or performance of required services is recorded as a refundable advance. Management provides for probable uncollectible amounts through a charge to expense and a credit to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to grants or contributions receivable. As of June 30, 2024, management estimated \$75,000 of allowance of credit loss. As of June 30, 2023, management has estimated that all of the receivables are collectable. Accordingly, no allowance has been provided.

Contributions receivable of \$150,173 are due in 2025.

NOTES TO FINANCIAL STATEMENTS

For the Years Ended June 30, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Donated Services and Materials - Donated items are recorded as contributions at their estimated fair value, determined by management referencing local market inputs and the type of goods donated, when received. Donated services are recorded as contributions at their estimated fair value only if the services create or enhance a nonfinancial asset or if the services require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. The Organization utilizes donated goods and services in its programs and operations or according to any donor restrictions. During 2024 and 2023, the Organization received contributed professional services valued at \$35,031 and \$44,251 for management and general purposes.

The Organization regularly receives donated services from many volunteers. However, no amounts have been recognized for these services because they do not meet the criteria described above.

Leases - The Organization assesses whether an arrangement qualifies as a lease (i.e. conveys the right to control the use of an identified asset for a period of time in exchange for consideration) at inception and only reassesses its determination if the terms and conditions of the arrangement are changed.

Right of use (ROU) assets represent the Organization's right to use an underlying asset for the lease term, and lease liabilities represent the Organization's obligation to make lease payments. Leased assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. The Organization's lease terms may include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise the option. Lease expense is recognized for these leases on a straight-line basis over the lease term. The Organization has elected to recognize payments for short-term leases with a lease term of less than 12 months as expense as incurred and these leases are not included as lease liabilities or right of use assets on the balance sheet. Common area maintenance costs and other variable lease payments are recognized when invoiced and are not included in the leased assets and liabilities.

The Organization uses the implicit rate when it is readily determinable. When the leases do not provide an implicit rate, to determine the present value of lease payments, management uses the risk free rate at lease commencement.

Functional Expenses - Expenses have been reported in program services and support service categories based on specific identification. In the absence of specific identification, expenses have been allocated based on staff time spent in each category. The time allocations are based on detailed timesheets prepared by employees.

NOTES TO FINANCIAL STATEMENTS

For the Years Ended June 30, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Concentration of Credit Risk - The Organization maintains cash balances in one financial institution. At times, the balance exceeds the federally insured limit. At June 30, 2024 and 2023 these accounts exceeded the federally insured limits by \$281,819 and \$1,194,251. The Organization has not experienced any losses from these deposits and management believes there is no significant credit risk.

Income Taxes - The Organization is exempt from income taxes under Internal Revenue Code Section 501(c)(3) and applicable Minnesota Statutes, except to the extent it has taxable income from activities that are not related to its exempt purpose. Management believes the Organization did not have any unrelated business income in 2024 or 2023. Management believes that it has appropriate support for any tax positions taken, and accordingly, the Organization does not have any uncertain tax positions that are material to the financial statements.

3. **LIQUIDITY AND AVAILABILITY**

Financial assets available for general expenditure within one year of the statement of financial position date are as follows:

	 2024	 2023
Cash	\$ 527,546	\$ 1,442,128
Investments	6,366,894	5,851,515

5. **UNEMPLOYMENT FUND DEPOSIT**

The Organization has elected to opt out of the State of Minnesota's tax-rated unemployment system and become a direct reimbursing employer. As a reimbursing employer, the Organization pays dollar for dollar for benefits paid to its former employees should there be a claim. The Organization uses Unemployment Services Trust (UST) to manage assets set aside for payment of claims and to monitor claims. UST is a grantor trust created by and for nonprofit organizations. The Organization's UST account balance of \$39,694 and \$26,136, at June 30, 2024 and 2023, respectively, is included in prepaid expenses.

7. **LINE OF CREDIT**

The Organization had a \$250,000 line of credit with Bremer Bank beginning November 8, 2023 with interest at an Index rate set by the bank plus .75% (9.25% at November 2023), not to drop below 6.0% at any time. The line matured on November 7, 2024. No funds were advanced at June 30, 2024.

The Organization signed a new \$250,000 line of credit with Bremer Bank beginning December 3, 2024 with interest at an Index rate set by the bank plus .75% (8.5% at December 2024), not to drop below 6.0% at any time. The line matures on November 8, 2025.

8. **RETIREMENT PLAN**

The Organization has a Tax Deferred Annuity Savings Plan in accordance with Section 403(b) of the Internal Revenue Code. An employee becomes eligible to make voluntary contributions to the plan beginning the first payroll period after the date of hire. During 2024 and 2023, The Organization made employer match contributions to the plan of \$90,467 and \$77,076.

Future minimum rental payments for the years ending June 30 are as follows:

2025	\$ 128,244
Less: interest	(1,598)
Present value of lease liability	\$ 126,646

11. **ECONOMIC DEPENDENCY**

The Organization received approximately 76% and 64% of its revenues and support from federal, state and local governments for 2024 and 2023. The Organization received approximately 9% and 12% of its revenues and support from one donor in 2024 and 2023.

12. **COMMITMENTS**

The Organization has several government grants that contain donor conditions (primarily that funds be expended for eligible costs before they are earned). Since these grants represent conditional promises to give, they are not recorded as revenue until the donor conditions are met. The Organization has unearned conditional contributions from cost-reimbursable grants of the following at June 30, 2024:

Family advocacy	\$	2,701,597
Community engagement		482,468

Note 1. Basis of Presentation

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal grant activity of Esperanza United under programs of the federal government for the year ended June 30, 2024. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (the Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Esperanza United, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Esperanza United.

Note 2. Summary of Significant Accounting Policies

- (1) Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.
- (2) Pass-through entity identifying numbers are presented where available.

Note 3. Indirect Costs Rate

Esperanza United has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Esperanza United Saint Paul, Minnesota

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Esperanza United (a nonprofit organization), which comprise the statement of financial position as of June 30, 2024, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to financial statements, and have issued our report thereon dated January 24, 2025.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Esperanza United's system of internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Esperanza United's internal control. Accordingly, we do not express an opinion on the effectiveness of Esperanza United's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Esperanza United's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors Esperanza United Saint Paul, Minnesota

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Esperanza United's compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of Esperanza United's major federal programs for the year ended June 30, 2024. Esperanza United's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

In our opinion, Esperanza United complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Esperanza United and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of [Esperanza United's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Esperanza United's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Esperanza United's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Esperanza United's compliance with the requirements of each of the major federal programs as a whole.

In performing an audit in accordance with generally accepted auditing standards, Government Auditing Standards, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design
 and perform audit procedures responsive to those risks. Such procedures include examining, on a
 test basis, evidence regarding Esperanza United's compliance with the compliance requirements
 referred to above and performing such other procedures as we considered necessary in the
 circumstances.
- Obtain an understanding of Esperanza United's internal control over compliance relevant to the
 audit in order to design audit procedures that are appropriate in the circumstances and to test and
 report on internal control over compliance in accordance with the Uniform Guidance, but not for
 the purpose of expressing an opinion on the effectiveness of Esperanza United's internal control
 over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matters

The results of our auditing procedures disclosed instances of noncompliance which are required to be reported in accordance with the Uniform Guidance, and which are described in the accompanying Schedule of Findings and Questioned Costs as items 2024-001 and 2024-002. Our opinion on each major federal program is not modified with respect to these matters.

Government Auditing Standards requires the auditor to perform limited procedures on Esperanza United's response to the noncompliance findings identified in our compliance audit is described in the accompanying Schedule of Findings and Questioned Costs. Esperanza United's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control Over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, as discussed below, we did identify certain deficiencies in internal control over compliance that we consider to be significant deficiencies.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiencies in Esperanza United's internal control over compliance described in the accompanying Schedule of Findings and Questioned Costs as items 2024-001 and 2024-002 to be significant deficiencies.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

Government Auditing Standards requires the auditor to perform limited procedures on Esperanza United's response to the internal control over compliance findings identified in our compliance audit described in the accompanying Schedule of Findings and Questioned Costs. Esperanza United's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

SECTION II – FINDINGS – FINANCIAL STATEMENTS AUDIT

No matters were reported.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

For the Year Ended June 30, 2024

SECTION III - FINDINGS AND QUESTIONED COSTS - MAJOR FEDERAL AWARD PROGRAM AUDIT

2024-001 Late Filing of Federal Financial Reports

Federal Department: Department of Justice, Office on Violence Against Women

Assistance Listing #: 16.526

Compliance and Internal Controls Significant Deficiency

Category of Finding – Reporting

Criteria – Esperanza is required to submit quarterly FFR (financial) reports with 30 days of period end.

Condition – The March 31, 2024 FFR report for 15JOVW-23-GK-05153-MUMU and 15JOVW-23-GK-05137-CSSP were submitted on May 20, 2024. The December 31, 2023 FFR report for 2016-TA-AX-K040 was submitted on July 1, 2024.

Cause – The organization went through turnover of key staff during the fiscal year. The individuals who were responsible for submitting the reports left the organization during the fiscal year.

Effect – Failure to submit reports within the required period may result in Esperanza's status to be delinquent and not be able to draw down funds on the award.

Recommendation – We recommend that management implement a formal process that clearly defines who is responsible for preparing and a separate individual responsible for reviewing these report, and make sure they are aware of the filing requirements to ensure that federal reports are prepared, reviewed, and submitted timely. Having two individuals responsible for this process will help mitigate the risk of missing a filing deadline due to turnover.

Management's Response and Corrective Action – Esperanza has assigned the contract accountant to be responsible for preparing these reports and implemented processes to ensure these reports are submitted on time.

Responsible party for corrective action – Vivian Huelgo, President and CEO

Repeat finding – No

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

2024-002 Inaccurate Filing of Federal Financial Reports

Federal Department: Department of Justice, Office on Violence Against Women

Assistance Listing #: 16.526

Compliance and Internal Controls Significant Deficiency

Category of Finding – Reporting

Criteria – § 200.302 Financial management of Uniform Guidance requires that Esperanza develop and maintain a financial management system to ensure accurate, current, and complete disclosure of the financial results of each Federal award as required by the grant agreements. Esperanza's grants require quarterly FFR (financial) reports be submitted.

Condition – The September 30, 2023 and December 31, 2023 FFR reports for Award # 2016-TA-AX-K040 reported inaccurate federal expenditures. Total federal expenditures reported were \$783,183 and \$809,897 for periods ended September 30, 2023 and December 31, 2023, whereas actual expenditures in the financial management system for the periods ended were \$756,435 and \$760,887, respectively.

Cause – The organization went through turnover of key staff during the fiscal year. In addition, review of the financial reports were performed subsequent to the submission.

Effect – Inaccurate financial reporting may result in Esperanza's status to be delinquent and not be able to draw down funds on the award or future awards from the awarding agency.

Recommendation – We recommend that management implement a structured and two-step review process where a knowledgeable and experienced individual other than the preparer reviews the report prior to submission.

Management's Response and Corrective Action – Esperanza has assigned the contract accountant to be responsible for preparing these reports and implemented review processes to ensure these reports are accurate.

Responsible party for corrective action – Vivian Huelgo, President and CEO

Repeat finding - No
